

Welcome to an inspiration seminar
“Next generation Bioimaging”
with the 2014 Nobel Prize winners in Chemistry.

Time: Sunday 7th of December, 2:00-4:00 pm

Place: Air&Fire seminar room, SciLifeLab

Come and participate in a discussion with **Eric Betzig**, **Stefan Hell** and **William E. Moerner** about the future challenges in bioimaging:

Where will bioimaging be in 20 years?

What are the challenges now?

What are your ideas for future development in bioimaging?

The number of seats for the workshop is limited, so please register a.s.a.p. if you want to participate in this event!

Registration: Send an email to Hjalmar Brismar (brismar@kth.se) or Jerker Widengren (jwideng@kth.se) with “Nobel inspiration seminar” + your name in the subject field.

Most welcome!
